Inspector-General of Police in Mysore.

Offg. *Secretary to the Government of H. H. the Maharaja of Mysore, General and Revenue Departments.*

SIR,

I have the honor to bring to ~~your~~ the notice of the Government that when the proposals to introduce the Investigating centre scheme was submitted, Midagesi, in the Maddagiri Taluk was, on account of its situation on the Ballari high road, considered very important and therefore chosen as a head station for the investigating centre ~~scheme~~.

After the scheme was introduced and brought into force, it was noticed that almost all the villages, attached to the sub-stations of Ittigidibbanahalli and Kodiganahalli.which are also attached to Midagesi Head station are closer to and within easy reach of Ittigidibbanahalli, than Midagesi, so much so that the Police Officer from Midagesi is reported to have always found it hard and inconvenient to reach them easily. The Deputy Commissioner of Tumkur therefore recommends the transfer of the Head station at Midagesi to Ittigidibbanahalli Sub Station and vice versa.

District, this difficulty was also brought to my notice and I found it necessary to change the investigating centre to Ittigidibbanahallli as this place is in a central position and convenient to the public for reporting crime.

Copies of letters Nos.115 and 324 dated 3-9-1909 and 16-1-1910 respectively from the Deputy Commissioner, Tumkur on the subject are herewith forwarded for the information o Government.

Under the circumstances I would request that you will be so good as to obtain early orders of Government for the change proposed above.

To,

D. Devaraj Urs Esquire,
Inspector-General of Police in Mysore.

Sir,

Adverting to your letter No.596/46 dated the 20th instant, I have the honor to recommend that the present Head station at Midagesi in the Maddagiri Taluk may be transferred to Ittigidibbanhalli Sub Station of that Taluk and vice versa as the latter place is central and convenient to the public for reporting of crime.

It is found by experience that Midagesi being situated in the corner of Maddagiri Taluk, is far away from th villages of that range and hence not convenient for the Jamedar to go to the scene of occurrence as soon as crime is reported.

The transfer of the investigating centre range will not involve any additional expense as there is already in Ittigidibbanahalli a Police station with lines of the modern pattern.

I have &c,
(Sd).Y. V. Krishnamurti.

From,

Superintendent of Police, Tumkur District.

To,

D. Devaraj Urs Esquire,
Inspector-General of Police in Mysore.

Sir,

With reference to your office letter No.22111/145 of the 16th October 1909 calling for further information in re the proposal recommending the transfer of the Head station at Midagesi to Ittigidibbanahalli Sub station in the Maddagiri Taluk and vice versa, I have the honor to state as follows:-

Regarding the 1st question as to how Ittigidibbanahalli is more central and convenient, I have only to draw your kind reference to the enclosed statement of villages ~~attached~~ alloted to the sub stations of Ittigidibbanahalli and Kodiginahalli which were attached to the Midagesi centre of ---- investigation. From which it will be seen that almost all the villages are closer to Ittigidibbanhalli than to Midagesi and several villages of the Kodiganihalli station in particular are situated so far away from Midagesi that a Police Officer finds it hard and inconvenient to reach them while on the other hand they are situated within easy reach of Ittigidibbanahalli.

Regarding the second point raised in your letter as to ~~how~~ why the said proposal was not made when the investiga centre scheme proposals were sent up, I have to state that the inconvenience now felt was not perhaps anticipated then and Midagesi village having been considered more important on account of its situation on the Tumkur Ballari high roa the same appears to have been chosen then for the investi ting centre. Under the present proposal Midagesi will hold sub station instead of being an Investigating centre.
